

We must keep on protecting each other.

HANDS

Wash hands with soap and water for 20 seconds or use hand sanitiser.

FACE

You are now required to wear a face covering in many public and commercial buildings including, but not limited to, shops, restaurants, pubs, cafes, takeaways, beauty salons and hairdressers.

SPACE

Remain 2 meters apart from persons not in your household (or bubble).

Following these simple steps could make a significant difference in reducing the transmission of COVID-19 and help protect you and your friends, colleagues and family from the virus.
